## STUDENT AUTOBIOGRAPHICAL SKETCH

The purpose of this exercise is to give us as complete an idea of who you are as possible.

Please use this space (and continue on another page as necessary) to tell us more about yourself in your own handwriting. We suggest you organize your thoughts by jotting down, on a time-line, different events in your life that you remember as having been significant to you. Then write about them in a narrative fashion, in chronological order. When you write about things that matter to you, you will convey to us a sense of yourself.

<b>I agree to abide by the principles of The American School Foundation of Guadalajara and the Student Handbook, which prohibit behavior detrimental to the ASFG community.</b>	
<b>Date MM/DD/YY</b>	<b>Signature of student</b>
